

All Risks Questionnaire

Thank you for your enquiry. Please can you answer the following questions so we can ensure we offer cover to meet your requirements:

- Name of Company:
- Full address including postcode:
- Full business description:
- Type of Equipment:
- Please provide total value of equipment, split between topside and subsea or on land:
- Do you own or are you hiring the equipment? Period of hire. If appropriate please confirm annual hire fees. If available now it would be useful to see a copy:
- Name of your principal:
- Are the values quoted for new replacement cost or second hand with a deduction made for age, wear and tear:
- Do you require cover whilst in storage, transit, as well as in use. How will the equipment be transported from port/airport to the actual location and how long will that transit take:
- How will the equipment be packed and carried when in transit (containerised as cargo):
- Use of equipment/name of vessel (work description):
- Name of company controlling the operation/use of equipment. Is it your own staff that will control loading/unloading on to the vessel and also deployment/retrieval of equipment during the operation:
- Details of the vessels operated from. Are these your own vessels or is the equipment directly operated from rigs:
- Has your company made any claims on insurance policies or suffered any losses in the last 5 years. If so. please provide full details (dates/description of the event/amounts claimed and paid):
- Please can you confirm the exact location of the operation:

We appreciate we have asked for a lot of information but we do really need all this information to ensure you have adequate protection to meet your requirements.
